

We encourage all participants to actively take part in poster sessions, which shall enhance the interaction and the exchange of ideas among meeting participants, and provide a unique opportunity for junior researchers to present their work in progress. Selections will be made by organizer review and are based solely on quality.

Read First

- Abstracts must be submitted online. Visit our login page to set up an account for registration and abstract submission.
- Abstracts will be published in an abstract book that will be made available to conference attendees.
- ***Abstract content and editing are the responsibility of the submitting author. Abstracts will be published as received.***

Format

- Character count: **2200 characters, including spaces**. *The title, author and institution information will be counted in the character count.*
- Font: **Arial** — *Spell out Greek letters or use the Symbol font.*
- Document must be saved and uploaded in Rich Text File format (**RTF**).
- Document **must** contain:
 - Title (in bold letters).
 - List of authors (submitting author underlined).
 - Submitting author's email address (underlined).
- Document should **not** contain:
 - Images, text boxes, comments or revision notes.
- Abstract will be printed in black.
- ***Important: See template below for further formatting instructions.***

Submit

- Abstracts must be submitted online and you must have an account to submit. Login to submit your abstract.
- Click "**Submit an Abstract**".
- Registration and abstract submission are free of charge.
- For assistance with abstract submission, e-mail Daniela.Waldon@med.uni-heidelberg.de.
